HERBAEXTRACT ODOR ELIMINATOR & CLEANER

Certified Bio-Based Cleaning &
Degreasing Compound CCD-110

A unique, natural, concentrated formulation of microbes, enzymes and surfactants for cleaning and deodorizing odors and odor-causing organic materials.

What is it?

HERBAEXTRACT ODOR ELIMINATOR & CLEANER is an effective odor control solution for a wide range of malodors found on hard surfaces and fabrics, indoors and outdoors. The advanced chemistry of HerbaExtract Odor Eliminator & Cleaner captures malodors for immediate odor control, while the beneficial micro-organisms degrade odorous molecules and odor-causing organics with a long-lasting odor control.

Where do I use it?

HERBAEXTRACT ODOR ELIMINATOR & CLEANER is a versatile, multipurpose cleaning product that provides optimum odor reduction for such diverse tasks as cleaning bathrooms, sinks, drains, laundry rooms, fitness facilities, pet areas, garbage collection areas, loading docks, dumpsters, tanks, smoke damage, etc. HerbaExtract Odor Eliminator & Cleaner is a liquid formulation that can be sprayed full strength onto surfaces where odors are a problem. The liquid may be sprayed manually or with an automatic dosing or spraying system. Do not use HerbaExtract Odor Eliminator & Cleaner on food contact surfaces.

How does it work?

Effective, long-lasting odor control

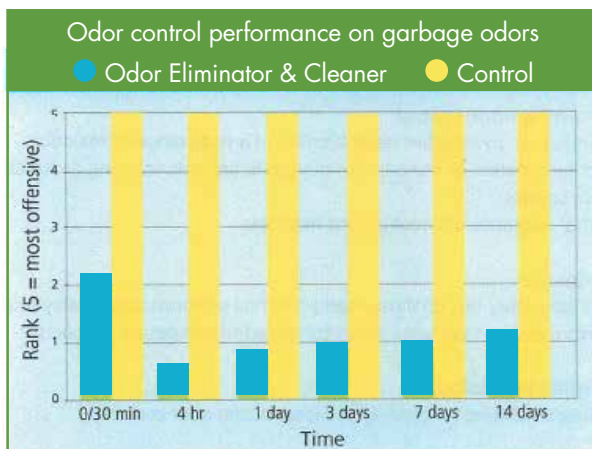

- Fast odor elimination by effectively neutralising of a wide range of malodours
- Capture and degradation of the odorous molecules and odor-causing organics for long-lasting, in-depth odor control

Superior performance

- Independent laboratory test confirms ODOR ELIMINATOR & CLEANER performs comparably to a leading brand
- Superior performance on pet urine odors compared to competitor products

Advanced microbial technology

- Beneficial micro-organisms for optimal and long-lasting odor control – microbes degrade the solid matter to liquid

HerbaExtract Odor Eliminator & Cleaner provides immediate control of garbage malodors and continues to control the odors after 14 days.

Microbial growth on odorous molecules

Growth is confirmed by microscopic observations showing spores prior to germination (A) and many vegetative microorganisms (B), proving the microbial activity of HerbaExtract Odor Eliminator & Cleaner in the presence of malodorous compounds.

Features and Benefits

- Kills odors while other products just mask the smell
- Ideal for treating odors such as: body fluids, urine, sanitary waste, pet odors, food, milk, vomit, spills, etc.
- Deep and long lasting effect
- Strong enough for tough stains, yet safe on fabric – removes stains & odors with ease
- Contains no petroleum distillates or solvents
- Inoculates odor causing molecules with beneficial bacteria that destroy the causes of odor
- Enhances biodegradation on all surfaces when used as recommended
- Safe to use – contains no harmful ingredients
- Ongoing maintenance for keeping drains open

Is it safe?

All ingredients in our products are classed as G.R.A.S. (Generally Regarded As Safe) and are not considered to be hazardous to the environment or human health. All ingredients are listed on the Canadian Domestic Substances List (DSL) with Environment Canada.

Collaboration

GoldenEnviro has forged a strategic partnership with Novozymes to develop new technologies and improve current ones. Novozymes is the world leader in bio-innovation.

Their business is industrial enzymes, and microorganisms ingredients. This strategic alliance has resulted in the development of new and innovative solutions to long standing problematic circumstances in a myriad of remediation challenges including oil spills, brownfields and tailing ponds.

Registrations

Environment Canada

"At Environment Canada (EC), our business is protecting the environment, conserving the country's natural heritage, and providing weather and meteorological information to keep Canadians informed and safe."

Recognition & Certification

U.S. Green Building Member

The U.S. Green Building Council is the nation's foremost coalition of leaders working to transform the way buildings and communities are designed, built and operated, enabling an environmentally and socially responsible, healthy, and prosperous environment that improves the quality of life.

HerbaExtract Drain Clog Free is a Green Cleaning Product, and can help earn one LEED point in any of the LEED rating systems. Below is a list of the applicable rating systems, as well as the names and values of the credits for which this product complies.

EQp3: Green Cleaning Policy

EQc3.3: Purchase of Sustainable Cleaning Products and Materials

IDc1.1: Innovation in Design: Green Cleaning Program

EcoLogo™ Certified Green Technology®

The EcoLogo™ designation is used for formulations that utilize biodegradable surfactants at a neutral pH, contain no phosphates, no solvents, and low concentrations of volatile organic compounds (VOC). So it is safe for user and the Environment.
